

PILOTMOVERS IS DELIGHTED TO BE RECRUITING
FOR B737 CAPTAINS ON BEHALF OF CHINA UNITED AIRLINES

CHINA UNITED AIRLINES

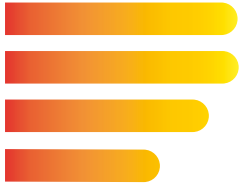

China United Airlines is a budget airline with its headquarters in Fengtai District, Beijing, operating scheduled flights and charter services. In October 2010, with the joint restructuring of China Eastern Airlines and Shanghai Airlines, it joined China Eastern Airlines; in November 2012, it realized integration and restructuring with the former Eastern Airlines Hebei Branch. In July 2014, it announced the transition to low-cost aviation.

China United Airlines is the first state-owned low-cost carrier in China, and the only air transportation enterprise integrating navigation enterprises, airports and air traffic control.

By the end of June 2018, China United Airlines had 3,693 employees and 44 Boeing 737NG series full economy class fleets, reaching 67 cities across the country and flying 70 routes, including one international route and nearly 8 million passengers per year. , successfully completed the national major transportation security tasks many times.

China United Airlines has entered a new stage of development and entered the fast lane of development. In the past four years, the total turnover of transportation has increased from 649 million tons to 874 million tons, and the annual transportation passengers have increased from more than 5.5 million to nearly 8 million.
